## FY11 GIVING HIGHLIGHTS

---

The spirit of philanthropy remains strong at Olin! Thanks to an outpouring of support from members of the Olin community, the College had another year of record-breaking fund-raising results.

### FY11 highlights include:

- Gifts totaling \$1,339,000 – representing a 25% increase over FY10.
- Continued outstanding levels of participation:
  - 78% of Olin Alumni made a FY11 gift which should maintain Olin’s status as having the *highest participation rate of any undergraduate institution in the country!*
  - Current Olin Parents, classes of 2014-2011, reached an extraordinary level of giving at 78%.
  - Olin Alumni Parents, classes of 2006-2010, achieved 57% participation surpassing their FY10 record of 52%.
- Total number of Olin donors increased by 25% from 737 in FY10 to 924 in FY11.
- Increased alumni impact on campus life through gifts to the Summer Book Program, Green Initiatives, Sports and Recreation, and Stock Room funds.
- Gift support for many important new initiatives including:
  - 21 need- and merit-based scholarships
  - Resources for the future holder of the Michael E. Moody Faculty Chair position
  - Significant increase in funding for curriculum innovation which led to three new course offerings
  - Olin’s new Initiative for Innovation in Engineering Education (I2E2) and its collaboration with faculty at other institutions on curriculum innovations
  - The National Academy of Engineering Grand Challenges Summit co-hosted by Wellesley, Babson and Olin which attracted nearly 400 participants

All of these FY11 results illustrate the tremendous support of the Olin community for the College’s mission and ongoing accomplishments.

**THANK YOU** for making an impact on Olin’s continued success!
