Campus Safety Security Program

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Franklin W. Olin College of Engineering publishes and makes available to any prospective student or employee upon request a copy of the College’s annual security report.

This report contains statistics for the previous three years concerning crimes that occurred on campus and on public property immediately adjacent to and accessible to the campus. The report also incorporates institutional policies concerning campus security, including the reporting of crimes and other emergencies, Safety Notification procedure, campus law enforcement, title IX violations or complaints, and campus sexual assault programs: information regarding the available educational programs that address campus security procedures and practices, crime prevention: information regarding drug and alcohol policies and other matters. The procedures for preparing the annual disclosure of crime statistics include reporting statistics to the college community obtained from the following sources: the Department of Public Safety, Needham Police Department and all Olin College Campus Security Authorities. A written request for statistical information is made on an annual basis to all Campus Security Authorities and to College Deans, Directors, and Departmental Heads. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported.

To request a copy of this report, please call the Public Safety Office (781) 239-5555 or send your request in writing to:

Department of Public Safety

The Department of Public Safety for Babson and Olin Colleges provides law enforcement, security, and emergency services at all property owned by the Colleges, 24 hours a day, seven days a week. Upon completion of the College Campus Police Academy or other recognized equivalencies, police officers have full law enforcement powers on College property as special state police officers under Massachusetts General Law Chapter 22c, Section 63. The Department of Public Safety maintains a close working relationship with the surrounding jurisdictions including Needham Police and Wellesley Police Departments including regular meetings and training initiatives. Additionally, some campus police officers are granted full law enforcement powers as special police officers by the towns of Wellesley and Needham. The Department of Public Safety Office is staffed by approximately 25 full-time and part-time personnel, 20 of which are sworn Babson College Police Officers. The Department also oversees emergency medical responses, medical escort services, fire safety and detection, crime prevention, escorts, parking enforcement, community policing, and coordinates emergency preparedness.

The Department of Public Safety is charged with providing law enforcement and other emergency services to the Babson College and Olin College communities. All complaints will be investigated and any violations of law or College policy can result in the filing of criminal charges and/or referral to the appropriate campus office i.e. Office of Student Life or Office of Human Resources. In certain cases, such investigations are carried out in conjunction with local, state, or federal law enforcement agencies.

Responsibility to Report Criminal or Suspicious Activity

Community Responsibility for Reporting All Criminal or Suspicious Activity
Olin College strives to provide a safe workplace for its students, employees and visitors. It is the responsibility of all Olin College community members to notify Public Safety of any criminal or suspicious activity that they have witnessed, received, or has been told that another person has witnessed or received. All complaints will be fully investigated. Olin College will respond promptly and appropriately to all reported incidents.

Threats and Violence to Community Members
Threats or violent behavior of any kind expressed to a community member or visitor whether on campus or off campus will not be tolerated. Any individual who makes substantial threats, exhibits threatening behavior, or engages in violent acts will be removed from the premises as quickly as safety permits and will remain off the property pending the outcome of an investigation.
Reporting Criminal or Suspicious Activity

Reporting Incidents to the Police
The College community can contact the Office of Public Safety using the on-campus extension x5555, or, if calling from a cell phone or off-campus location, (781) 239-5555. Community members may discuss concerns and issues of safety and security directly with the Public Safety staff at the Olin College satellite Public Safety Office located in East Hall or at the Public Safety main office in the Sullivan Building on the Babson College campus.

Reporting Incidents to the other College Officials
Students may report incidents to the Office of Student Life, their Resident Resource (R2) within the residence halls, faculty or staff members or fellow students. Employees may report incidents to their respective department heads or the Office of Human Resources.

Emergency Phone System
Emergency telephones are located in designated parking lots and at the front entrances of our buildings. These telephones allow the community members to contact public safety via emergency call buttons and telephone communication. (See attached map)

Confidential Caller Telephone Line
In an effort to encourage calls from those members of our community who would not normally contact Public Safety whenever they have complaints, concerns or information, Public Safety has installed a confidential caller telephone line. Although we prefer to converse with the reporting party, we acknowledge the fact that some people wish to leave information anonymously. To protect the identity of callers, all calls will be directed to an answering machine that does not have caller ID. The telephone number is (781) 237-8164.

My Safe Campus Incident Reporting System
Consistent with Olin's Core Institutional Value of Institutional Integrity and Community, the College instituted a service called, My Safe Campus. The new system is an enhancement, not a replacement, of existing resources and policies/procedures. My Safe Campus enables community members to submit a report via the Web (www.mysafecampus.com) or by calling the toll-free number (1-800-461-9330) that is forwarded to a call center, available 24/7.

The workplace issues you may report via My Safe Campus include, but are not limited to: acceptable use violations, campus safety/security concerns, code of ethics violations, compliance/regulation violations, discrimination, embezzlement, fraud, harassment, hazardous campus housing concerns, information security, misuse of authority, safety concerns, sexual harassment, violation of the 1974 Educational Rights & Privacy Act (FERPA), waste, and others.

Missing Students
A student who has been missing for a twenty-four (24) hour period may be reported missing to the Office of Public Safety and/or College officials through the above listed notification options. At the beginning of each semester, all students residing in on-campus housing may notify the Office of Student Life of a confidential
contact person that should be notified if the student is determined to be missing. If the student is under eighteen (18) years of age and not an emancipated student, the student’s custodial parent(s) will be notified along with the confidential contact. Only authorized Student Life personnel and the Office of Public Safety will have access to this information should it be needed in the furtherance of the investigation.

**Title IX Regulations**

Title IX is a federal regulation that provides that “no” person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” This protects students from sexual harassment by any school employee, another student or a non-employee third party.

Olin College is committed to taking immediate and appropriate action to all allegations surrounding this regulation:
- The College will take prompt and effective steps to end the sexual violence or harassment;
- Prevent its recurrence; and
- Address its effects, whether or not the sexual violence or harassment is the subject of a criminal investigation.

Title IX Coordinator: Alison Black (781) 292-2327
Additional Resources: Patricia Berardi (781) 292-2429; Joanne Kossuth (781) 292-2431

**Public Safety and Crime Prevention Information**

**Transportation**
The College also allows students who obtain certified driver training, the use of the Olin College passenger van for College related activities. Limitations are placed on the use, time and destination in order to make the service available to the majority of community members. Please contact the Facilities Services Office for further information.

The College in conjunction with Wellesley and Babson Colleges runs van service among the Colleges and local transportation hubs in the Greater Boston area. Schedules are determined each academic year pursuant to ridership surveys among the colleges.
Campus and Building Security

Campus and Building Security
Members of the Office of Public Safety patrol the campus 24 hours a day. Building exterior doors are checked on a random basis. Exterior residence hall doors are locked 24 hours a day and require programmed card access to residents, their approved guests, and other approved members of the community. Classroom and administrative buildings are secured at the conclusion of normally scheduled business hours.

The Office of Student Life, Office of Facilities Services, Office of Academic Affairs and the Operations Department work together to coordinate building security and authorized College events.

Campus Identification Cards and Key Control
All community members are issued picture identification cards. These cards allow community members access to card access doors located throughout the campus as well as for use at the dining and laundry facilities on campus. Community members are issued keys to college buildings and rooms they have been authorized to use.

Closed Circuit Television System and Card Access Program
A Closed Circuit Television System (CCTV) records public interior and exterior areas of the College for security and operational issues. These cameras are not monitored 24/7 but do assist the College in monitoring and investigating any public safety issues occurring on campus.

Repairs to the Olin Campus
Community members are encouraged to report all security related repairs i.e.: broken locks, doors, lights out, etc. to the Facility Customer Service Center at (781) 292-4444 or accessing the website: http://app2.webtma.net/ARAMARKH/GenerateRequest.aspx?key=8fMN5Hy6FyxarCurPZiqeTCxGg7U4E25%2fTi8Vlue5RMMiBFVfoDCs3jUQ%2b9csuLH. Repairs are made by Facility Service personnel and/or certified service vendors in a timely manner. Public safety shall be notified of an immediate safety/security concern at (781) 239-5555.

Medical Emergencies and First Aid

Emergency Medical Care
The Public Safety Department members are all trained basic first aid responders and/or Emergency Medical Technicians (EMT’S). Before treating anyone for an injury, please contact Public Safety at (781) 239-5555. They have direct contact to the Needham Ambulance and area hospital and will coordinate the appropriate transport for the injury.

First Aid Kits
First Aid kits are located at the front of each laboratory, project work space, classroom and kitchen areas. Each first aid kit is supplied with basic first aid supplies to handle minor injuries.

Automated External Defibrillators (AEDs)
Automated External Defibrillators (AEDs) are located in marked cabinets at the 1st floor elevator banks of each building. These cabinets are alarmed to prevent vandalism but are readily available to the user. The Public Safety vehicle is also equipped with a portable unit.
Emergency Notification and Crisis Management

Timely Warnings
In the event of an emergency, the College Crisis Management Team will determine the most appropriate course of action in addressing the identified emergency. Timely notices will be issued by the Department of Public Safety to the community via the Send Word Now Emergency Alert system, College wide email system, broadcast messages through the College telephone system, and/or by cell phone communication to the registered community members. These notices may range from a public safety advisory, uniquely formatted and distributed throughout the campus to advise members of the campus community of actual or suspected criminal activity or other emergencies.

Emergency Evacuation Procedures
If an incident involves the evacuation of a building(s) on campus, the Crisis Management Team will review the appropriate response and the members of the Campus Emergency Crisis Management Team will notify the community via the Send Word Now Emergency Alert system, College wide email system, broadcast messages through the College telephone system, and/or by cell phone communication to the registered community members. These notices may range from a public safety advisory, uniquely formatted and distributed throughout the campus to advise members of the campus community of actual or suspected criminal activity or other emergencies. These protocols will address the immediate safety of the community, the stabilization of the campus and the return of the College to its primary mission. The Safety Office reviews the emergency evacuation procedures with community members at the beginning of each semester. The Crisis Management Team updates emergency information monthly and reviews current trends and information throughout the year.

Mass Notification Annual Testing
The Crisis Management Team tests the emergency notification procedures each semester. Notification will be given to the community prior to the test procedure. A review of the notification test results and a review of Emergency Crisis Management Plan will be conducted by the Crisis Management Team. Further information on the Crisis Management Team and the Crisis Plan can be obtained by contacting the campus Operations office at (781) 292-2431 or the Office of Public Safety at (781) 239-5555.

Policy on Weapons and Fireworks

Olin College strictly prohibits possession on campus of firearms (including blank pistols or replicas), explosives, swords or knives (other than those used for cooking or small pocket knives), and other weapons. Practicing or performing with martial arts or fencing equipment is permitted by members of recognized student organizations; when not in use, such equipment should be stored securely. [Also see Massachusetts General Laws: Chapter 269, Sections 10 and 14] Possession of fireworks is also prohibited by the College. [Also see Massachusetts General Laws: Chapter 148, Section 39]
Sex Offender Registration

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, Public Safety is providing a link to the Commonwealth of Massachusetts Executive Office of Public Safety Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Massachusetts, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the Executive Office of Public Safety.

The Sex Offender Registry outlined in Massachusetts General Law 178 establishes guidelines on the type of offender information available to the public. The registration requirements of the Sex Offenders Registration Act are intended to provide the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who may pose such a potential danger to the public. Information is available at the following links:

http://www.lawlib.state.ma.us/subject/about/sexoffenders.html

Sex Offender Registration Inquiries
Inquiries into a person’s status as a sex offender can be obtained through the local Massachusetts police department utilizing the linked form. http://www.mass.gov/eopss/crime-prev-personal-sfty/sex-offenders/sex-offenders-registry-board-downloadable-forms.html
Policy on Sexual Assault Prevention and Victim Assistance

Services Available to Victims of Rape, Acquaintance Rape, and Other Sex Offenses
This appendix lists helping services, summarizes relevant policies, and illustrates the College’s compliance with the requirements of the 1992 Campus Sexual Assault Victim's Bill of Rights Act (Public Law 102-26) as amended in 1998 (Public Law 105-244).

Community members should report rape, acquaintance rape or other sex offenses to the Office of Public Safety. The Office of Public Safety has full police powers and the staff is trained to provide accurate information on preserving evidence and the options for criminal prosecution, campus disciplinary proceedings, or both.

The staff in the Office of Public Safety and the staff in the Office of Student Life are available to assist students in notifying local police if the student chooses.

Campus disciplinary proceedings may be initiated against a student through the Honor Board. Disciplinary proceedings may be initiated against an employee through the Office of Human Resources.

Section 4.12 of the Honor Board procedures describes the right of an accused student as well as the accuser to bring an adviser of their choice from the College community. This section also permits the passive assistance of legal counsel by either party but only if coexisting criminal charges are pending resulting from the same incident.

Possible sanctions to be imposed following the completion of campus disciplinary proceedings are included in Section 4.22. The accuser will be informed of the outcome of disciplinary proceedings in which sexual misconduct is alleged.

The Office of Student Life maintains information on helping services both on campus and off campus (e.g., Domestic and Sexual Assault Violence Services at Newton Wellesley Hospital). The staff in the Office of Student Life is available after an alleged sexual assault incident to assist students in making any reasonably available changes in academic or living situations.

The Office of Human Resources in conjunction with the local law enforcement agency will assist employees in securing all appropriate support services.

Educational programs on sexual assault are available through the Office of Student Life, Office of Human Resources and the Office of Public Safety.
Fire Safety

Olin College is covered by a state of the art fire alarm system. Fire and Public Safety personnel can review the status of all alarms at any building panel, the Babson College Public Safety Operations Center or the satellite Public Safety office at Olin College. An Emergency Annunciation System will notify all occupants of an alarm in the building by voice, sound and visual signal. The emergency annunciation system can be used by Fire and Public Safety personnel to coordinate emergency evacuations of the building(s) during any emergency. All main campus building fire alarm systems are connected to the College’s emergency generator.

Main Campus Buildings
The main campus buildings are all connected to both the College Public Safety Operations Center and the Town of Needham Fire Department. All alarms are immediately transmitted to both operation centers. All buildings are fully sprinklered and have smoke and heat detectors located throughout the buildings.

Residence Halls
All residence halls have approved carbon monoxide detection systems which immediately transmit an alarm to the Public Safety Operations Center. Emergency evacuation maps are posted in each residence hall room outlining the primary and secondary means of exiting the building during an emergency.

Great Plain Avenue Buildings
The Great Plain Avenue buildings are all connected to the College Public Safety Operations Center. The Great Plain Avenue buildings are not equipped with sprinklers. All fire alarms sound locally within the building and have fiber connections to the Public Safety Operations Center. Smoke and heat detectors are located throughout the buildings.

All buildings have approved carbon monoxide detection systems which sound locally within the building and have fiber alarm connections to the Public Safety Operations Center.

Testing
All fire and carbon monoxide detection systems; building sprinkler systems, fire extinguishers and fire hydrants are tested as outlined by the designated state and local law as well as college insurance requirements.

Fire Prevention
All students at Olin receive basic fire evacuation training at the beginning of each semester. Fire drills for all residence hall buildings are held at the beginning of each semester. Fire marshals for each administrative and academic building receive training at the beginning of each semester. The Town Fire inspectors make unannounced inspections of the campus throughout the year. The College’s Insurance Company inspects the campus on at minimum, an annual basis.
Campus Security

The Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542) required all colleges to begin to collect certain information commencing September 1, 1991. It also required that the College prepare, publish, and distribute this information to all current students and employees, and to any applicants for enrollment or employment upon request beginning September 1, 1992, and each year thereafter.

Title II of Public Law 101-542 mandates the reporting of the following criminal acts occurring at Olin College during the most recent three calendar years as defined in the law.
