

Sexual Misconduct & Title IX

Resources

Reporting: For all community members who would like support, resources and/or an incident investigated by Olin, pursuant to the Sexual Misconduct Policy.

Help: For emergencies and support in filing a criminal complaint with campus police.

Student Resource: For support and guidance from a trained student leader.

Confidential: For all community members who would like to discuss the matter confidentially. These are **confidential** resources that provide support to individuals.

To request academic, living, transportation, working or other accommodations and adjustments, please contact the Title IX Coordinator.

Reporting: For those who would like the matter handled by the local and State Police, District Attorneys Office and/or criminally prosecuted.
