

# SNOW EMERGENCY PARKING PLAN

When the College has closed due to snow or reports of snow emergencies, all motor vehicles must be moved to Lot A (Rows 4, 5 and 6) or Lot C within one (1) hour of the official closing of school. Members of the community who are leaving a vehicle on campus, must park in these designated Snow Emergency parking areas (Lot A - Rows 4, 5 and 6 and Lot C).

Parking in Lot A (Rows 1, 2 and 3), Lot B-2 or Lot D is prohibited during the declared snow emergencies. All vehicles not moved may be towed at the owner's expense.

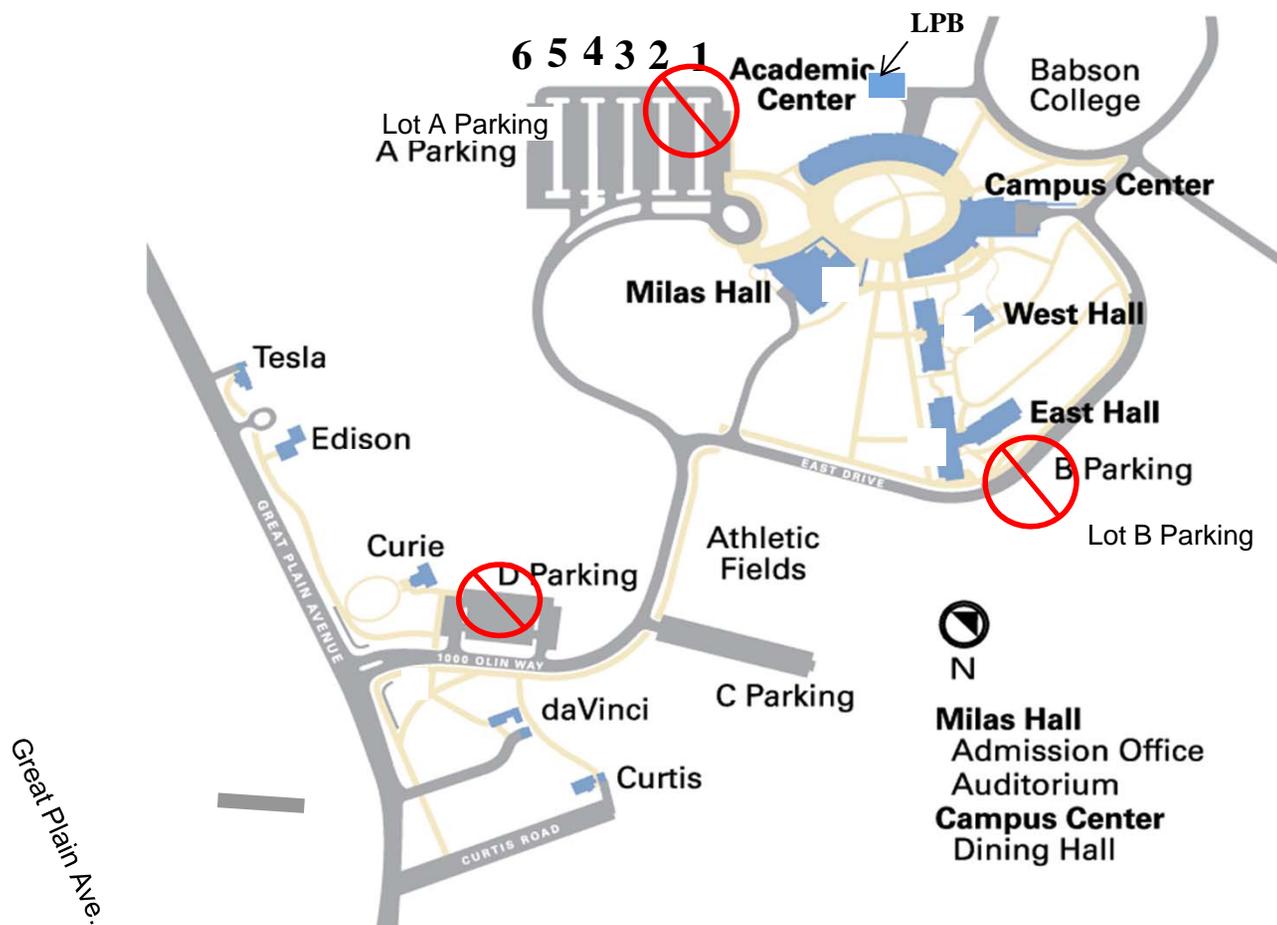

## SNOW EMERGENCY PARKING:

When the snow has ceased, it is the responsibility of each person to move their vehicles to a cleared area of Parking Lot A or Lot B. The Facilities Services group will clear the Designated Snow Emergency lots, Lot A (Rows 4, 5 and 6) and Lot C, within 24 hours after the storm has stopped. Community members can return to their assigned lots once the area has been cleared.

Whenever possible, please park at the perimeter of the parking lot, close to other cars in the parking lot. If you are parking in a lot that has already been plowed, please park in a spot that has already been cleared. The Facilities Services staff can clear lots more effectively if vehicles are not scattered throughout the lot.

It is the owner's responsibility to shovel snow from around his or her car. Shovels are available in the 1st floor trash rooms of East and West Halls for students and through Facilities Services for Faculty and Staff. Please return the shovels promptly so no one is inconvenienced.
